v.

No. 4:20-cv-226-DPM

CENTRAL ARKANSAS AREA
AGENCY ON AGING, INC.

DEFENDANT

ORDER

The joint motion, *Doc. 77*, is granted. The proposed settlement is fair, reasonable, and adequate. *Lynn's Good Stores, Inc. v. United States*, 679 F.2d 1350, 1353 (11th Cir. 1982); *see also Barbee v. Big River Steel, LLC*, 927 F.3d 1024, 1027 (8th Cir. 2019); *Melgar v. OK Foods*, 902 F.3d 775, 779 (8th Cir. 2018). With the help of Magistrate Judge Ervin, the parties have made a good-faith compromise of contested wage-and-hour disputes. And the attorney's fee was negotiated separately. The Court will dismiss the complaint with prejudice and retain jurisdiction for a time to enforce the settlement.

So Ordered.
